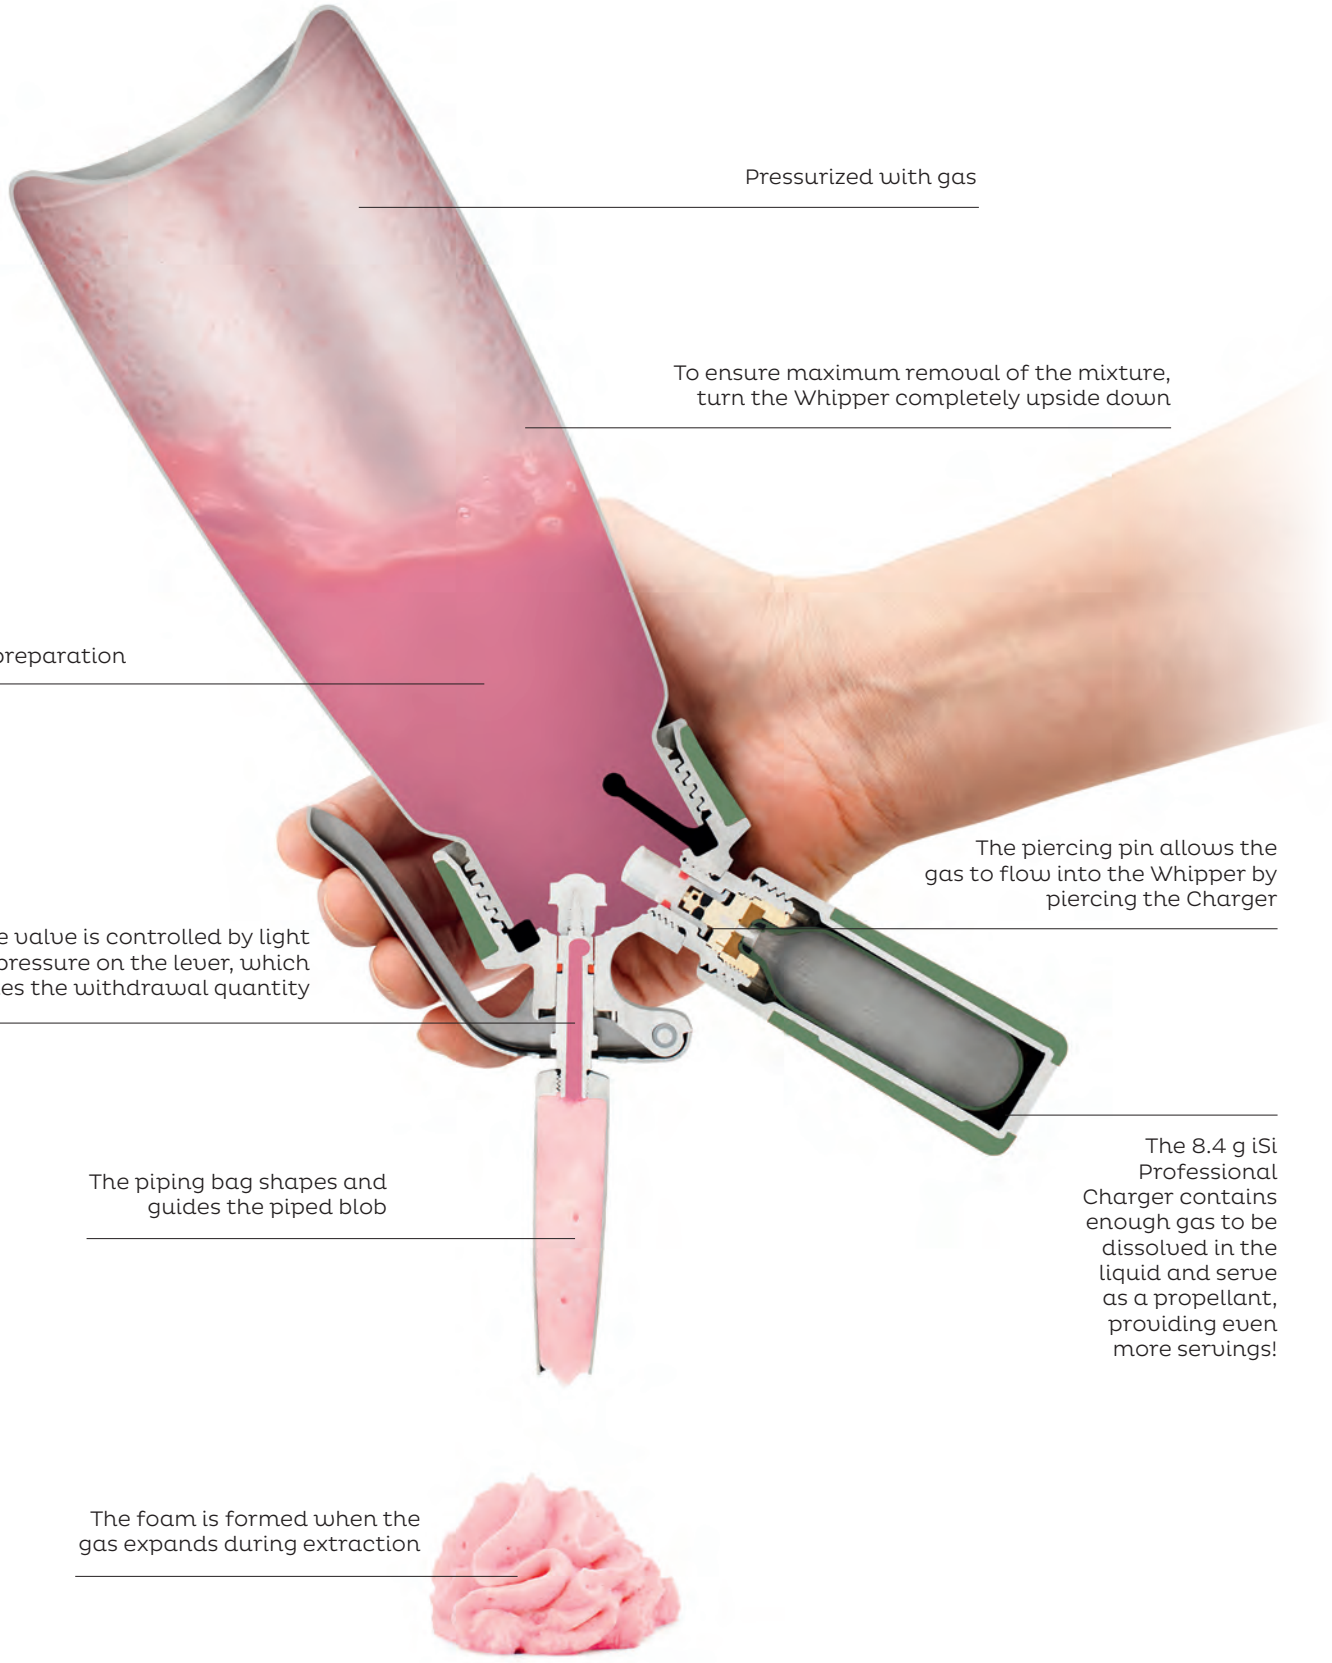
BASICS OF FOOD SCIENCE. IMPRESSIVE RESULTS



STEP BY STEP USER GUIDE

1

Fill the Whipper bottle with cream until it reaches the maximum fill line.

Cream Profi Whip: Insert the extraction piston into the device's head.

2

Insert the Head Gasket into the Device Head.

3

Unscrew the tip.

4

Screw the head onto the bottle.

5

Insert iSi Charger into Charger Holder.

6

Using the Charger Holder, screw on the iSi Charger until you hear the gas flowing into the bottle.

7

Shake the iSi Whipper vigorously at least 4 times.
Unscrew the Charger Holder and dispose of the empty Charger correctly.

8

To dispense, hold the Whipper upside down (tip pointing vertically downwards!) and gently press the lever.
Note: if the cream is too runny, shake the Whipper again.

inspiring food.

ADVANTAGES

- Yields up to 15% more servings per filling, thereby reducing the cost of goods*
- Saves more than 10% per serving
- Reduces the carbon footprint by more than 10% per portion
- Saves time and labour thanks to more portions per bottle filling
- Reduces food waste. The preparations can be stored in the refrigerator for several days because they are sealed airtight.
- Handy, flexible and space-saving
- We voluntarily support UN-certified climate protection projects with every iSi Green Whip sold

PRODUCT FEATURES

- Bottle body, device head and tip made of stainless steel, designed for long-lasting professional use
- Completely dishwasher safe
- Device head with silicone grip protection and fixed stainless steel piston for easy handling, quick cleaning and assembly
- Unscrewable stainless steel tip and silicone gasket with removal tab for quick and hygienic interim cleaning
- Only suitable for cold applications
- 2-year warranty

iSi Professional Chargers. NSF

Safety, precision, and purity in every Charger.

As the global market leader, iSi offers unmatched quality with its Professional Chargers, reducing costs and Charger consumption per serving by enabling up to five times the whipping volume.

Matching Whipper.

inspiring food.

ADVANTAGES

- Highest safety standards in the manufacturing process through the use of temperature- and pressure-tested Chargers that exceed international safety requirements
- iSi Professional Chargers are 100% recyclable**
- Quality from Austria – we produce in a family-run business
- We take responsibility for our production and support climate protection projects
- With iSi Chargers, you can save up to 20% on cream costs and reduce Charger consumption by up to 20%*
- Up to five times the whipping volume with the same taste enables high-quality culinary creations
- Fewer calories and reduced fat content per serving offer a lighter taste experience

PRODUCT FEATURES

- Made from high-quality European steel
- Each Charger guarantees maximum tightness and food purity without oil residues
- Each Charger contains exactly 8.4 g of pure N2O and is individually weighed electronically
- No overfilling in accordance with the ADR Dangerous Goods Transport Act
- Internationally recognized certifications, NSF listing, and HALAL and HACCP-compliant production
- Each Charger can be traced seamlessly through batch coding
- iSi Professional Chargers are perfectly matched to all iSi Whippers

Dome Tip.

The new dome tip transforms every dessert and dish into an artistic masterpiece

Now available for the iSi Gourmet Whip, Green Whip, Cream Profi Whip, Thermo Whip and Creative Whip. It allows espumas, mousses, and toppings to be piped with an elegant, rounded shape. This ensures impressive presentations in terms of both taste and appearance.

Cold and warm applications

Dishwasher safe

Matching Whipper.

inspiring food.

ADVANTAGES

- New tip variation improves the decorating process for cream toppings
- Ideal for creating velvety potato foams and other warm or cold toppings.
- Used to cover a dish for an elegant presentation
- High-quality plastic that is safe for food contact, combined with a stainless steel thread

PRODUCT SPECIFICATIONS

- Red plastic tip with ø 22,7mm height: 47mm
- Compatibile with iSi Gourmet Whip, Green Whip, Cream Profi +, Thermo Whip, Creative Whip
- For warm and cold applications
- Also available with the Gourmet Whip Special Edition - marked with a sticker
- Dishwasher safe

Whipper Bands.

The smart must-have for every iSi Whipper.

Package contents

1 Whipper Band, white

1 Whipper Band, red

1 Whipper Band, yellow

1 Whipper Band, green

1 Whipper Band, blue

ADVANTAGES

- Enable quick and clear identification or differentiation of contents/recipes in the iSi bottle
- Reusable bands promote cost efficiency and sustainability by reducing food waste and optimizing workflows
- The bands can be quickly and easily labeled with wipeable pens

PRODUCT FEATURES

- Different color codes serve as a guide
- High-quality, durable silicone designed for long-term use in the food service industry
- Dishwasher safe
- The bands fit any iSi Whipper and stay securely in place without slipping
- The bands are made of high-quality, durable silicone designed for long-term use in the food service industry. They are dishwasher safe and can be used in the oven.

reddot winner 2023

Matching accessories.

inspiring food.

ADVANTAGES

- Quick and easy preparation of light, airy, and delicious creations
- An extensive digital iSi recipe portal provides new cooking inspiration daily.
- Reduces food waste: The closed system allows cold preparations to be stored in the refrigerator for several days without preservatives, maintaining consistent quality
- The bottle is refillable and replaces disposable spray cream cans
- Flexible, handy, and stylish – this practical kitchen tool is a shining addition to any dining table and fits in any kitchen
- Whips cream and other ingredients to a particularly fluffy consistency
- 100% flavor with fewer calories

PRODUCT FEATURES

- Completely dishwasher safe - device made of premium stainless steel
- Bottle cover and Charger Holder in trendy wave design made of silicone; Charger Holder with high-quality, stylish stainless steel ring
- Convenient lever operation for easy portioning
- Includes 3 garnishing tips (star, tulip, straight nozzle)
- made of high-quality stainless steel
- Includes 2 iSi Professional Chargers 8.4 g (these are 100% recyclable*)
- Only suitable for cold applications
- 3-year warranty

Package contents

1 Stainless Steel Bottle

1 Device Head and Silicone Ring (transparent)

3 Stainless Steel Tips (Star, Tulip, Straight)

1 Charger Holder

1 Cleaning Brush

1 Silicone Band (for labeling contents and preparation date)

2 iSi Professional Chargers

inspiring food.

iSi Professional Chargers. NSF

Safety, precision, and purity in every Charger.

As the global market leader, iSi offers unmatched quality with its Professional Chargers, reducing costs and Charger consumption per serving by enabling up to five times the whipping volume.

Matching Whipper.

inspiring food.

ADVANTAGES

- Highest safety standards in the manufacturing process through the use of temperature- and pressure-tested Chargers that exceed international safety requirements
- iSi Professional Chargers are 100% recyclable**
- Quality from Austria – we produce in a family-run business
- We take responsibility for our production and support climate protection projects
- With iSi Chargers, you can save up to 20% on cream costs and reduce Charger consumption by up to 20%*
- Up to five times the whipping volume with the same taste enables high-quality culinary creations
- Fewer calories and reduced fat content per serving offer a lighter taste experience

PRODUCT FEATURES

- Made from high-quality European steel
- Each Charger guarantees maximum tightness and food purity without oil residues
- Each Charger contains exactly 8.4 g of pure N2O and is individually weighed electronically
- No overfilling in accordance with the ADR Dangerous Goods Transport Act
- Internationally recognized certifications, NSF listing, and HALAL and HACCP-compliant production
- Each Charger can be traced seamlessly through batch coding
- iSi Professional Chargers are perfectly matched to all iSi Whippers

Whipper Bands.

The smart must-have for every iSi Whipper.

Package contents

1 Whipper Band, white

1 Whipper Band, red

1 Whipper Band, yellow

1 Whipper Band, green

1 Whipper Band, blue

ADVANTAGES

- Enable quick and clear identification or differentiation of contents/recipes in the iSi bottle
- Reusable bands promote cost efficiency and sustainability by reducing food waste and optimizing workflows
- The bands can be quickly and easily labeled with wipeable pens

PRODUCT FEATURES

- Different color codes serve as a guide
- High-quality, durable silicone designed for long-term use in the food service industry
- Dishwasher safe
- The bands fit any iSi Whipper and stay securely in place without slipping
- The bands are made of high-quality, durable silicone designed for long-term use in the food service industry. They are dishwasher safe and can be used in the oven.

sparkle

iSi Twist'n Sparkle Virtuoso.

Sparkle it your way – enjoy sparkling refreshments anytime, anywhere.

Use it to carbonate a wide variety of cold drinks directly in the bottle, including fruit and vegetable juices, tea, wine, spirits, and water with natural ingredients such as fresh fruit, herbs, and syrups.

Product Information

Sparkling water

Sparkling mixed drinks

Matching accessories.

ADVANTAGES

- More than just soda water: transforms any cold drink in the bottle into sparkling goodness in no time
- Ultra-compact, portable beverage carbonation system – ready to use anytime
- No electricity required. Easy to use: fill the bottle, insert the Soda Charger, twist, and enjoy!
- Chic and functional: a stylish bottle with a transparent silicone sleeve in two colors
- A unique carbonation system – each iSi Sparklets Soda Charger is precisely pre-portioned to carbonate 0.95 liters of beverage perfectly
- No more single-use plastic or cans – a more environmentally friendly and durable alternative
- iSi Sparklets Soda Chargers are 100% recyclable*
- Quality from Austria: The iSi Sparklets Soda Chargers are produced by a family-owned business

PRODUCT FEATURES

- Refillable, high-quality PET bottle (BPA- and phthalate-free) with fill level markings and an easy-to-grip screw cap
- Elegant, transparent bottle sleeve made of silicone in a classic diamond design, offering optimal grip, durability, and safe use
- Sparkling Wand with patented CO_2 infusion technology
- To be used with original iSi Sparklets Soda Chargers 8.4 g
- Only suitable for cold drinks
- Not dishwasher safe
- 2-year warranty (minimum shelf life of the bottle: 4 years)

Package contents

1 PET Bottle with Cap

1 Device Head with Sparkling Wand

iSi Sparklets Soda Chargers. NSF

For a sparkling drinking experience.

At the heart of the iSi Soda Systems, iSi Sparklets Soda Chargers with their precisely calibrated CO_2 filling guarantee perfect carbonation of sparkling water, soda mix drinks such as cocktails and long drinks, as well as many other beverage variations.

Product Information

TÜV AUSTRIA

recyclable steel

Matching beverage carbonators and soda siphons.

ADVANTAGES

- iSi Sparklets Soda Chargers are 100% recyclable*
- Voluntary support of climate protection projects: To offset the remaining product-related carbon footprint of iSi Sparklets Soda Chargers, iSi voluntarily invests in UN-certified climate protection projects.
- Highest safety standards in the manufacturing process through the use of temperature- and pressure-tested Chargers that exceed international safety requirements
- Quality from Austria — iSi Sparklets Soda Chargers are produced by a family-run business
- iSi Sparklets Soda Chargers are easy to store, transport, and use anywhere thanks to their compact size

PRODUCT FEATURES

- Made from high-quality European steel
- Each Charger guarantees maximum tightness and food purity without oil residues
- Each Charger contains exactly 8.4 g of pure CO_2 and is individually weighed electronically, which guarantees optimal carbonation of the beverage and eliminates the risk of over- or under-carbonation
- Internationally recognized certifications, NSF listing, and HALAL and HACCP-compliant production
- Each Charger can be traced seamlessly through batch coding
- iSi Sparklets Soda Chargers are perfectly matched to all iSi Soda Makers
